Resident and Visitor Parking Guidelines

Apt. # _____

- The paved parking lot is strictly for University Center Apartments residents only!
The gravel parking lot located next to our office is for residents and their visitors.
The gravel lot will not be available for residents and visitors during home football games.
In addition to our paved and gravel lot, there is a parking lot available to all FSU students on Hendry Street.
Hobkirk Enterprises Towing & Recovery Inc. will tow any illegally parked vehicles parked at either the paved or gravel lot at your expense.
Any car that does not have a University Center decal will be towed from the paved lot at your expense.
If you are not driving the vehicle that has the decal, you must park in the gravel lot or you will be towed.
Illegal parking includes, but it is not limited to, the following:
Any car parked in the paved lot without a decal
Any vehicle parked in the paved lot that takes more than one space
Any vehicle that is parked in any grass area
Any vehicle that is parked in the customer parking of the gravel lot after 10am Mon-Sun.
Any vehicle that blocks the city dumpster
Any vehicle that blocks any parking lot entrance or any other cars
All fees for a towed car are to be paid to Hobkirk Towing during their business hours.
Management at University Center will not be held responsible for the towing or recovery of any vehicles.
Parking is maintained as a service to our tenants!
If renewing, you are responsible for obtaining a new decal for your car every August.

I _____ have read all the information above and understand the rules for parking at University Center Apartments and that all illegally parked vehicles as explained above will be towed. I realize that in the event of towing, it is my responsibility and NOT that of University Center Apartments or its management.
